

Edit Markings

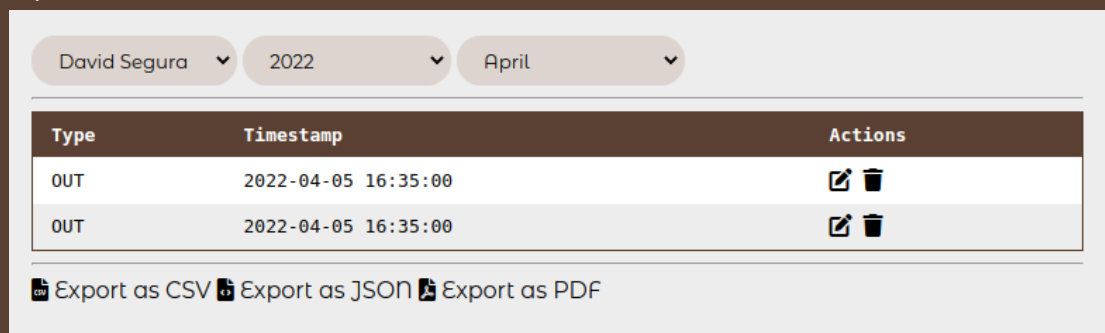

In this page you can add, delete or edit any marking of any user.

To add a marking you'll find this block where you have to select a user, a date, an hour and if it's in or out.

A form for adding a new marking. It includes a dropdown menu for 'Select a user...', a date input field with the placeholder 'dd/mm/yyyy', a time input field with the placeholder '--:--', and radio buttons for 'In' (selected) and 'Out'. A 'Generate Marking' button with a calendar icon is at the bottom right.

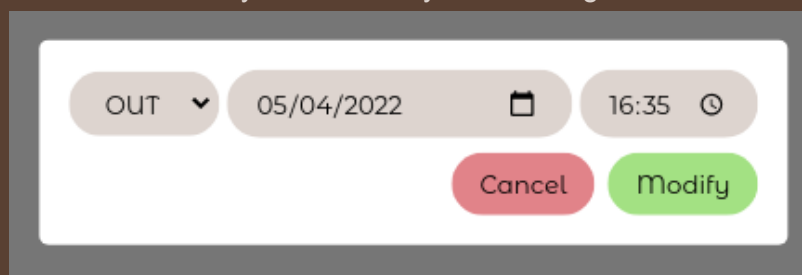

To edit you'll have to select the user and the date of the marking that you want to edit then you'll press in the action column the edit button.

A table showing a list of markings. Above the table are filters for 'David Segura', '2022', and 'April'. The table has three columns: 'Type', 'Timestamp', and 'Actions'. Below the table are export options: 'Export as CSV', 'Export as JSON', and 'Export as PDF'.

Type	Timestamp	Actions
OUT	2022-04-05 16:35:00	 
OUT	2022-04-05 16:35:00	 

It will open this window and here you can modify the marking.

A modal window for editing a marking. It contains dropdowns for 'OUT', a date input '05/04/2022', and a time input '16:35'. At the bottom are 'Cancel' and 'Modify' buttons.

Finally to delete you'll have to press the button next to the edit button in the actions section.
